

THIS IS MY BELOVED SON  
IN WHOM I AM PLEASED

**Brother Joseph Coleman**

**Forest Hills, New York**

**August 19<sup>th</sup>, 1981**

...I want to remember my daughter, Joanne, a prayer request Mike Seenam, her boss' brother in law and he's a Christian and just recently married and now he has a malignant tumor in his private parts Lord, oh God, 26 years old and we pray for him Lord, that you'll not only heal him and may the Power of God heal him Lord God, he was healed before, but may it be a testimony to the Message that there is yet a God in this world that can heal, amen, with signs following.

May the Power of God fall upon him and dissolve, amen, that malignant tumor. May it disappear. Now Lord, bless the Word tonight. Amen. May the Fire fall. May the sanctified be baptized with the Holy Ghost and Fire. Bless the Word. Anoint Brother Quinones and myself. Give us one mind, speaking the same thing. In Jesus' Name we pray. Amen and amen.

You may open your Bibles. Open your Bibles. I want to...St. Matthew 3:16 and 17, Romans 8:14 through 17, Ephesians 4:4 and 5. Reading from St. Matthew 3, verse 16:

***16 And Jesus, when he was baptized, went up straightway out of the water: and, lo, the heavens were opened unto him, and he saw the Spirit of God descending like a dove, and lighting upon him:***

And Romans 8:14:

*love:*

***5 Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,***

You may be seated. Well church say amen? Well, we're happy to be here tonight. We're happy to see people getting free, being delivered. This is the judgment hour. This is the hour, the time and at this time now, these next two weeks to be delivered. I don't know what's gonna happen after, but this is the time to be delivered. Amen.

So I may be coming to some of you, to some things that I know about. The Holy Spirit told me to correct it. So I'll just come to you and I'll just talk to you and I'll just tell you. Then there's no excuses, I said, "Well because..." But the Lord sent me. Amen. Amen.

You may be a little insensitive and you may have the other person trapped and the other person don't want to say anything but yet they're bound. Well, I recognize this. But you don't recognize it. So I have to set the people free. Amen.

So it may take the skin off your hides, but I can't help that. I'd rather see your soul saved. Amen. So if you're insensitive to free somebody else, I may have to say something. So I hope you understand. Amen. Praise God.

Well, tonight is teaching and whatever the Lord will lay upon our hearts. Just the family here tonight. We are the family. Amen. And the family is getting straightened out. Amen. Praise God.

Well I'd like to take a little title, "*This Is My Beloved Son In Whom I Am Well Pleased.*" Amen. Well praise God. Romans 8:16:

***16 The Spirit itself beareth witness with our spirit, that we are the children of God:***

That's my thought tonight. I want to speak about the new birth, born again, begotten, amen. Well now remember the Spirit of God Itself, the Holy Spirit, the Dynamics must bear witness with your spirit that you are the children of God. And the Holy Spirit will not bear witness with a filthy spirit! Now we're home now. We're gonna drive it down. Amen. You're gonna get clean if you're ever gonna get clean, you're gonna get clean in these meetings.

Now this is the fullness of time. There's no more time to play. Church playing is over. Fooling around with church spirits is finished. Either you are or you're not. There's no more time left. The hour is come to get right with God. Stop playing church! Amen. Praise God, amen. Hallelujah.

The fullness of time is here. Judgment is speaking tonight! Hallelujah. What is the fullness of time? When the dead raises; when sickness ceases; when the church playing is finished; when the new creation time, eternity, rides in. No more creatures of time but creatures of eternity. Amen. Glory to God.

Ephesians 1:10, gather together all things in Christ. How do you get in Christ? By one spirit, by one spirit we're all baptized into one body. And that body is Christ's body, which is already judged. He took our judgment. When I see the Blood I'll pass over you. Amen.

Revelation 13:8, amen, Ephesians 1:4 and 5, according as He hath chosen us in Him before the foundation of the world, that we should be filthy, that we should be lustful. Of course not! That we should be holy! Holy, holy, holy unto the Lord! Praise God, amen.

Before the foundation of the world, God predestinated a church that would be sanctified. Holiness, without no man shall see the Lord. Glory. That we would be holy, without blame before Him in love. Amen.

Christ died for our sins. The Lamb was slain before the foundation of the world. Before the foundation of the world, in God's mind, the Eternal, before He was called God, He was just there. The great Fountain of Love, the Eternal Spirit, the Seven Spirits, was there and you was in His mind. Hallelujah.

God, the Lamb was slain in God's mind. When the Lamb was slain, our names was put on the Lamb's Book of Life then. In God's mind He foresaw us. When He seen us, predestinated you by His foreknowledge, before the foundation of the world, that we would be blameless, holy, before Him in love.

In other words, we found favor with God. When? When you got saved? No. Before the foundation of the world. Before the foundation of the world you found favor in God's mind. This is my beloved sons and daughters in whom I'm well pleased. Praise God. You stood with Him in the beginning, when all the demon church spirits, when all the bullheads come against you in the beginning.

The sons of God stood. The pastors, they stood, the apostles and prophets, they stood their ground against bullheads, false anointed, antichrists, filthy. We stood our ground! Glory.

So what's so strange, what's so strange about me calling sin out? In the beginning I called filth out and I'm calling it out tonight. In the beginning, before the beginning, in the beginning calling out, before the beginning, God

said, “Come on son, you’re gonna call it out.”

So I’m now manifested! I am the Word that was before the beginning. The Word that was in the beginning, that Word is in flesh tonight! It’s a gift that God put here to call sin out! It’s coura coura. To deliver your souls, to call the demons out of there. Praise God. I know who I am. I know where I come from. I know where I’m standing. I know God is with me.

If God be with you, who can be against you? Amen. Praise God. Praise His wonderful Name. The Logos was manifested in Christ and the Dove came upon Him, “*This is my beloved Son in whom I am well pleased.*” That was the creation and you are the continuation of this creation.

Then don’t say you are the Word and live some other kind of life. If you are the Word, then live the Life. Praise God. Amen. “*Modern Events Made Clear By Prophecy,*” volume 7, number 6, page 14. I’ve got to let you know who you are. Before you can receive the Holy Ghost, you’ve got to know who you are. Then you will receive it and then you’ll get sanctified. Then you’ll leave the filth when you know who you are. But people don’t know who they are; they don’t know where they’re going, where they come from.

But if you ever know who you are, you’d receive the Holy Ghost like that! Because the Holy Ghost is here. Amen. Page 14, paragraph 74, speaking about before the foundation of the world. It’s God’s thoughts expressed through man’s lips. A thought of course is a Word expressed. God does His own choosing by His predestinated choosing.

He done it in every Age. He set forth the man for each Age, like with Moses, when he was to fulfill what he told Abraham; Moses was born a proper child. He was born that way. He couldn’t help being that way because he was born for that purpose.

Then what about here? I can’t help being the way I am. You cannot help being the way you are, because you’re born for a purpose. So we find out that God does that in every Age. God does His own choosing by His own predestinated choosing. He chose His Prophets and things for the Age. For the Age now.

This is no small town here. This is not Oshkosh Wisconsin. This is New York, full of devils and demons. So God chooses a man for this locale that knows something about these demons in New York, that’s not afraid of these devils, to call them out. This is no Oshkosh Wisconsin; this is not Pennsylvania or Indiana. This is New York City. Amen.

He fixes his nature, the man’s nature, the man’s style of preaching,

the way he preaches. Whether it be hard of the way he preaches, God fixes that! So the bullheads can't say, "He's mean and hard." God fixes it that way. Why? To honor His gift and all that He does is to meet the challenge of that day.

God creates that man and sent him and in his own mind, as I preached on last night, we are a germ of the gene of God. He knowed that man would be there at that Age before there ever was a molecule, before there ever was a light, God knew we would be sitting here tonight. Amen.

And God knew every devil in the creation would gang up in New York, when the Thunders would thunder out, God knew every devil would be here. So God created a man with his nature to bust those devils right in their teeth! Amen. Praise God.

If they all walk out, that's the way it's gonna be in this church. Praise God. Anything else in the earth, for you're a gene of your father. You were in your father, yet your father had no fellowship with you. You was in there but you knew it not. And he knew it not.

But you was manifested that he might fellowship with you. "Adam, Adam, where art thou?" In the evening time, it shall be light. The great God come down in the evening time to fellowship with His Word attributes in New York City. He called them out of the churches, His Word. Church spirits come along also but it's not to the church, it's to the individual.

He, the Spirit speaks to "He." He that hath an ear, not the church, not your mamma, not your papa, but he that hath an ear, let him hear what the...

***(Blank Spot On Tape)***

...Praise God. Amen. Praise God. He's having fellowship tonight with His attributes. How do you fellowship? You come in here tired and weary? You don't feel like praising the Lord? You ain't having no fellowship with Him. You don't want to be corrected? You're not having fellowship. You don't want to take the Word of God? You're not having fellowship. You want to be filthy? You're not having fellowship! Glory. Amen. Praise God.

You was in there but you was manifested that He might have fellowship with you. And you being born again, you're born of Eternal Life. And that's the only one form of Eternal Life and that's God's Life. Zoe, the Greek word "Zoe," only one form of Eternal Life.

Then if you're a son or daughter of God, you were in God all the time. So get rid of this fear you're not gonna be sealed! Because you were sealed in God's mind before the foundation of the world. He's only asking you to be sanctified!

But He knew what bed and time you would be planted. So now you're made a creature, a son of God, manifested son or daughter of God to meet the challenge of this hour. You are here to meet the challenge in New York City, to vindicate the true and Living God of this hour. You are here to vindicate the Message that's coming forth in this time. That's right.

You was done there before the foundation of the world. If you wasn't chose that way, no matter how much you try to impersonate, you'll never make it. How can you get blood from a turnip when there is no blood in a turnip? How can you receive the Holy Ghost and be born again if there's no seed in you?

But if there's a seed in you, you shall be filled! Glory. Amen. Now you are made a creature, a son of God, manifested son and daughter to meet the challenge of the hour. What's the challenge? Adoption time! The fullness of time. You're predestinated to meet this challenge.

There shall be a glorious Bride. You shall be filled. Adoption time. There shall be a perfect man on the earth. Glory to God. As many as led by the Spirit of God, they are the sons of God. Hallelujah.

The Baptism of the Holy Spirit will fall. Amen. But that don't mean you're going in. The Baptism of the Holy Spirit has nothing to do with your soul. The real gift is the gene, the germ, the seed, that's in your soul. If you have a seed, a germ, the Word, then you can be reborn.

Otherwise you'll be a church member. Glory. But where were you when the sons of God shouted for joy and the morning stars sang together? You was there in God's thoughts! You shall be filled! Can't enough devils on this earth stop you. Glory. Praise God. My, my, my. Amen. Praise God. Amen. Praise God. Page 18.

Now we believe today there's many people today just can't believe it, even Spirit-filled people. I'm gonna give you one that'll choke you. The Baptism of the Holy Spirit don't mean you're going in, not at all.

Not on that. Don't have anything to do with your soul. That's the Baptism. Here's the inside soul. That has to come from God. That's why you've seen A.A. Allen's and all these evangelists, a bunch of winos and drunkards and whoremongers. It had nothing to do with their soul.

And they received Baptism after Baptism in their spirits. But in their spirit was their human souls with no seed in those souls. But the Bride in Her spirit, She has a soul, and in Her soul, She has the Word. Glory.

So when the Baptism of the Holy Ghost strikes the Bride's soul, there's a Word seed in the soul, and the Baptism connects with the Word,

BOOM, Baptism of the Holy Ghost. Then you'll see a son and daughter of God. There's the germ, there's the seed, there's the blood cell, glory.

Not a church member, but a Word born Bride, glory to God, born again, the new birth, amen. Praise... glory, hallelujah. Thank You Jesus. My, glory to God, amen. Thank You Jesus. Amen. Glory. Hallelujah, praise God. Amen. Thank You Lord. Page 27, to drive it down to you.

But the real ordained of God, that real gene, that real germ, a soul of God that was in God before the foundation of the world, amen, you, that's really got the Spirit of God in you tonight, you were here in Christ because He was the fullness of the Word, He was the fullness of the Godhead bodily.

God was in Christ reconciling the world to Him. Do you believe that? God was in Christ. Then if you were in God, a gene, a word, an attribute from the beginning, then you walked with Him here on earth, you talked with Him here on earth, you suffered with Him here on earth, you died with Him at Calvary, you rose with Him on Resurrection Day.

And now you are setting with Him in heavenly places. Glory. You are communing with the Word. Then the Word is feeding your soul tonight. Glory. Man shall not live by bread alone, but by every Word that proceedeth forth from the mind of God. Amen. Oh hallelujah, praise God. Thank You Jesus.

Born again by the Word of God. Amen. It's a life, friends. Amen. "*Leadership*," amen, page 20, paragraph 142. Now it's a person. This is the age of personal life.

Two weeks ago the Holy Spirit woke me up at five o'clock in the morning. He said, "My son, I want to reveal something to you. All you have to do is raise above the unbelief. No matter if the whole church is filthy, all you have to do is raise above it, take this revelation and die out to yourself and to all the people and when the press comes down, I'll be with you and I'll meet you in the morning."

Oh, it'll be so humble. It's a life. All you have to do is live a life. That's all you have to do. You don't have to do anything else. If you're a minister, live a minister's life. If you're an elder, be an elder. A deacon, be a deacon. Praise God. A child of God, be a child of God!

Add to your Faith Virtue, Knowledge, Temperance, Patience, Godliness, Brotherly Kindness and you shall be filled! It's a life. Children, obey your parents. Husbands, love your wives. Wives, reverence your husband. That's all it is! It ain't walking around here being nasty, mean. That ain't no life. That's a devil, that's a demon. That's a devil. Demonized.

Glory.

But God's children, the Elect will not persecute Elect. Glory. God's children will forgive one another. How many times? Seventy times seven. Glory to God. Get that backwash out of here. God's children ain't got no complexes. They ain't got no national spirits. "I'm from Puerto Rico. I'm from here. I'm from there." Get out of here, praise God.

Where were you when the sons of God shouted for joy? Glory. Praise God. Get that backwash out of here. Amen. Glory. Amen. Praise God. It's a Person was revealed through the Prophet: the Person, the Life, Jesus Christ.

Outside of that, shut up. You ain't got nothing to say. Amen. Page 20, paragraph 142. Now to refuse that Person that's doing the calling, as Moses called a nation out of a nation, Christ today is calling a church out of a church. You see? The same thing in type. Taking them to a glorious Eternal Promise Land.

Now to refuse that Person that's doing the calling, Christ, no matter if you're Pentecostal, Methodist, Luther, whatever you are, this Age, nothing against them, not at all. But in this Age now you have got to accept, like they did in that Age, the Person of Christ, which is the Word. You must accept that.

If you're a minister, the Person tells you how to live. That's what you must accept. If you're an elder or deacon or whatever you are, that's what they're missing. In this Message, they have missed the Life. They have missed the Life. They think it's something else, but it's the personal Life of the Bible. Praise God. Amen.

See, we turned the corner, oh my, page 21. Now that Life is present tonight. That's right. The Holy Spirit is here, which is Christ in Spirit form. His Spirit, the Anointing, is here tonight. Jesus Christ, the God of Glory, is standing here tonight by this Anointing that's all over you, that's Jesus Christ.

And now He's speaking His Word telling you what to do. How do you know it's Him? He's putting Fire on it! And you'll be judged for it in the Day of Judgment. That Life is present here tonight. Amen.

No man can lead you to Him. Praise God. Page 22. Jesus alone can lead you to that Eternal Life. There's no church, no denomination, no preacher. Some of these people are looking to get a private minister. There ain't no private ministers in here. I preach the Word of God from this pulpit. Amen.

No preacher, no priest, no nothing else can lead you to it. You must

be led by Him. A brother called me up and told me, this is only a testimony. The brother got a revelation finally. He called me up and told me that how he was messed up with his wife and how he was mistreating her.

I said, “Why are you calling me for?” He said, “I want to see you to tell you about it.” I said, “Don’t tell me about it. You go and tell her about it.” I said, “I ain’t got anything to do with that. I’m the Pastor here, preaching the Word of God.” Amen?

If you mistreat your wife, repent to her. I ain’t gonna give you no “A” on your paper. That’s what you’re supposed to do. Amen. Glory. “Brother Coleman, I repented to So and so.” So what? If you don’t repent, you’re going to hell! So what are you telling me for? That’s what you’re supposed to do. It’s the Life behind the Name. A Life, that’s all.

You don’t get no “A” every time you do something right. That’s what you’re supposed to do. That’s your reasonable service. People go around looking for accolades. They want a pat on the back. You’re supposed to do that. Praise God. Get rid of the babies out of here. Amen.

Nothing else can lead you to it. You must be led by Him. The only One that can lead you. Could you imagine Him leading you out of His Word, which that’s Him. And if He is the Word and you are a part of Him, won’t you be part of the Word? The Word that God wants to pour, catch it now, be part of the Word here today, that God wants to pour out the Waters of Salvation upon today?

The Quickening, “This is my beloved Son,” upon your word to make you know as an individual, not me. You don’t have to tell me. I’ll know by your life. Hallelujah. This is how all men will know, by your love one for the other. I’ll know by the Word working Itself out of you that you’re a son and daughter of God. Amen.

The Waters of Salvation upon today, to identify Him today. That’s why He’s getting you sanctified tonight for, to pour out the Water upon you, to identify you that you might identify Him, like the apostles identified Him, like Luther, like Wesley, like in the people of them days identified Him.

This is another Age, it’s the Word. The Word said these things that we’ve seen taking place now. It’s predicted to take place in this hour. So accept Jesus Christ and let Him lead you to Eternal Life. Oh my. Praise God. Led by the Spirit to Eternal Life, the Spirit bearing witness with our spirit.

Can you imagine living the Life and doing what’s right and The Spirit quickening you, anointing you, blessing you, bearing witness with your spirit? You don’t have to tell me anything about it. As many as led by

the Spirit of God, they are the sons of God. Amen. Oh my.

So now we know that there's three elements that go into the birth. Water, blood, spirit. Okay, for a few minutes now. A little more teaching, huh? Praise God, amen. Well I'm doing fine, amen, yes sir, praise the Lord. Now Ezekiel 36:26, he said I'll give you a new heart; I'll give you a new spirit.

That old dirty spirit that loves to run around in the world, that filthy spirit, I'll give you a new spirit. I'll give you a sanctified spirit. I'll give you a spirit that's able to pray, that's able to take the Word of God. How do you know? Let's type it out. In the courtyard there was a burnt sacrifice for your flesh. That's where the fleshpots were, in the courtyard. Amen.

And they walked by the moon and the stars and the sun. When the sun was shining, they were feeling good in the natural. A little cloudy day come up, and they come in on Sunday morning evil, cranky, mean, because they didn't feel good. Oh my.

And then they stayed out in the flesh all the time. But another group, they went in to holy place and they got out of their old rotten spirits and went in the holy place and they got a new spirit in there. And in the holy place, there were seven golden candlesticks. There was Shewbread. There was an altar of incense. So therefore with a sanctified spirit, they were holy, sanctified, set aside, set apart for God. They could eat the Shewbread, they could pray, they could live holy. Praise God.

But still that ain't it. Ezekiel 36:27, he said, I'll put my spirit in your new spirit. I'll put my Holy Spirit in your new spirit. But there's one thing that's got to be done. I have to tear down the curtain between the holy place and the most holy place. You can't go in there, unless you rip the curtain. You can't go in there. The curtain is your self-will. Even though you're holy, even though you're sanctified, even though you eat the Shewbread, even though you pray all night, you've still got self-will; you're still rotten in your spirit. You need to tear it down, "I hate myself." Amen.

Then you can go into the most holy place. In there is the Throne of Mercy, overlaid with gold. The cherubim's wings is tipped. There's Blood on the Mercy Seat. The Shekinah Glory is all over the place. That's where God wants to take you tonight. Hallelujah. Praise God, praise God, God be praised. Thank You Jesus.

He wants to put His Spirit in your spirit. Amen. "*Christ Is The Mystery Of God Revealed*," page 36. Now, what is the new birth? Now when you're born again, you have the new birth. The new birth is a revelation; it's also an experience. Let's take the revelation first.

“*Christ Is The Mystery Of God Revealed*,” page 36. What is the new birth then? Amen. You say, “Well Brother Branham, what is the new birth?” It is a revelation of Jesus Christ personally to you. Then you don’t have to see me. “Brother Coleman, what do you think? Should I do this and that?” No, it’s personally to you. Amen.

I’m only the Pastor here. Amen. Not you joining church, you shook a hand, you done something different, you said a creed, you promised to live by a code of rules, but Christ, the Bible, He is the Word that is revealed to you. And no matter what anybody else says, no matter what takes place, it is Christ, pastor, priest, whatever it might be, it is Christ in you, a revelation that the church is built upon. Amen.

The new birth is Christ. It’s a revelation. God has revealed to you this great mystery and that’s the new birth. And what’s this mystery? Before the foundation of the world, your name was written in the Lamb’s Blood. That’s the mystery. Glory to God. Your name is in the Book! Amen. Glory to God. That’s the new birth. What are you gonna do when you get all that group together where the revelation, like the Seven Thunders give Faith, what are you gonna do when you get that group together? My, you already seen what happened.

The group came together in Penn Harris, Africa, South Africa, South America, all over, the group come together with one revelation. Christ the hope of Glory in you. Praise God, amen. My, my! Glory to God.

What are you gonna do when you get the group together where the revelation is perfectly in harmony and God expresses through His Word by the same actions, the same things He did, making the Word manifest. Oh, if the church only knew its position. It will one day, then the Rapture will go. When? When it knows what it is!

Now are we the sons of God. It doth not appear what we shall be, but we know, we know, when He shall appear, we shall be like Him. When She knows who She is. When She lives like it. When She talks like it. When She praises God like it. Then you’ll see something. Praise God. Amen.

How can you be saved? The only way you’re saved is by a revelation, is to know Him by revelation. His church is Himself revealed. He reveals Himself to you. To the pope? No. Amen. To you! He reveals Himself to the bishop? No. To the President Reagan? No. To the King of England? No. To whomsoever He will. Praise God. Brother, get it!

His church is Himself revealed and expressed by the Word that it is God. Then you’re not following me, you’re following Jesus. And then you’ll come running in here to hear what Jesus will speak through me. Amen. Glory

a Dios.

I think you finally got it. You're not afraid of me no more. You want the Word. Let her go! Praise God. Glory. No more Pentecostal babies. Word born Bride. Glory. Page 45. God is known by simplicity and revelation of Jesus Christ in the most illiterate person, in the stupidest person that you ever heard of. God can come in that stupid person with the Holy Ghost and make Himself known! Glory.

And that stupid person can walk into Yale and tell the president of Yale, "Thus saith the Lord," walk into Oxford England, "Thus saith the Lord." Sha! Kупendaba. Amen. Praise God.

Not your theology. It's a revelation of Jesus Christ, "Upon this Rock I'll build my church." No other rocks accepted. No other things accepted. No other Roman rock, no other Protestant rock accepted, no other school, no other nothing, but on exactly the Revelation of Jesus Christ in a new birth. He is born in there and injects His own Life and your life is gone and the Life of Christ is projecting His Life through you.

The Life of God tabernacled, Deity, projecting Itself through you with the preeminences to the people. God has the preeminence in you. You tell the filthy women, "You dirty women, God has preeminence in me. I don't want you. I don't need you." God veiled, praise God. God preeminence. Glory. Preeminence in the sisters, preeminence in the brothers, in the children. That God is veiled, hallelujah, tabernacled, Deity. Sha! Glory.

That they see the very Life, the very works and signs and wonders that He did, doing the same thing through you. Outside of that, the rest of it is not even called to it at all. They come up with something else, forget about it and walk away. "I'm in the Message, what quote is that?"

Forget about it and walk away. It's a Life! Watch God's great revelation unfolding. By lack of this revelation is why we have so many different divisions among us and so much mockery; so much division among us is because people lack that revelation. See, they lack that revelation. The teachers lack the revelation. Oh my.

Think of it church! The new birth is Christ, a revelation. Oh, if the church only knew its position. It will one day, then the Rapture will go, when it knows what it is. Saved by revelation that you were with Him before the foundation of the world, that you were with Him in the beginning, that you now tonight have a revelation that the Seven Thunder Revelation is your name in the Book.

That's the new birth and there's nothing gonna stop you because the

Blood that is keeping you saved, the Blood that is keeping you sanctified, is your name in the Book. Did you get it? The Blood keeps you saved and therefore because you are saved tonight the Blood Atonement keeps you saved.

How do you do it? You make a mistake, you come back, you repent, and the Blood keeps you saved, keeps you sanctified. Amen. You can't do it yourself. We fail. But oh, the Blood of Jesus Christ. And you shall be filled! Hallelujah. My. My, my, my.

You must be born again. Let's drive it home now. A few more expressions. Amen. How many want the Holy Ghost? Glory. Well then you're gonna hear this tonight. Amen. I'm gonna tell you what to do to get the Holy Ghost.

Now we know that the new birth is an experience, it's also a revelation. It also has certain birthrights, such as the Lord's Supper and foot washing and a whole lot of things. It's the birthrights through the born again experience. Amen? All right, where are we at?

*"You Must Be Born Again,"* page 11, just a few minutes, about seven or eight minutes of some quotes and we're gonna be finished. Brother, the Holy Spirit is here tonight. My, my. Page 11, paragraph 39 and 40.

Now and no matter how much that we try to think we are right in saying a creed or joining a church, you're still what you were until you're actually born again of the Spirit of God. It doesn't change you. Your creed, joining church or changing your ideas or your good intentions, although as good as it might seem, it's still not right.

There's something that's got to happen. The new birth is an experience, something that takes place. So it is not that brings a new birth. Now the different churches, they say, "Well you accept this or believe that, it's all right."

Now to begin with to base back the reason we have to be born again, is because the Bible teaches that we were all born in sin and shaped in iniquity and come to this world speaking lies. Then that shows us that our nature to begin with is sinful to start with. We're no good to begin with. So we cannot claim anything by our shrewdness, our sincerity or how great we are, or how little we are, or whatever more.

We're altogether wrong to begin with. But so many don't think that they are. "What did I do this time?" That's what you hear. "What did I do now?" What did you do now? You're wrong! REPENT! Always trying to save their selves. You can't save yourself. Old King Agag. "Surely the

bitterness of death is over.” It’s never over until you’re chopped to pieces.

King Agag was hoping it was over but it was not over until he was cut to pieces. So stop hiding. Come and be cut to pieces. Amen. Oh hallelujah. Page 12. Now remember the first thing until you’re born again, you’ll never understand. Except a man be born again he can’t enter into the Kingdom. Except a man be born again he cannot even see the Kingdom.

The word in there making all those words. They tell me that they had to write it out and then when they say, “Verily verily,” it’s... and the word in one place or many places, it’s translated, “Absolutely, absolutely, absolutely, I say unto you.” Who said that? Did a cardinal, priest, pastor, evangelist, pope? God Himself.

Now there’s no excuses; no excuses. “Well you see when I was a little girl, this happened.” No excuses. “Well I try my best.” No excuses. Your best ain’t good enough. So ain’t any sense in even trying your best. Just repent and die and say, “I’m wrong.” Amen.

No excuses. He will in no wise, no wise at all, cannot in any other way, no matter how great he is, what his name is, how big he is, how popular he is, he cannot even understand the Kingdom of God until he’s born again. Amen.

It’s a great subject. Amen, see? You find, not see with your eyes, you see with your heart. You can’t see the Kingdom of God with your eyes, it’s spiritual Kingdom. So in other words, you’ll never be able to understand the Kingdom of God until you’re born again. It’s all an unraveled mystery like on the back of the Book, unraveled. Seven Mysteries of the Seven Church Ages. You’ll never understand it. Amen.

But when you’re born again, the plans of the Kingdom Itself becomes real to you. Then you’ll love the Word of God. You’ve got another nature in you. You’ve got His Nature. Oh, praise God, amen. Page 17.

Now to approach this birth, there is an approach to it and to be, to approach this birth, you have to go through a process, just like anything else that lives. Anything that lives again has got to die first. And you cannot keep your same spirit. Hallelujah. My, my, my. Want to keep the same old national spirits and want to have their way in the Kingdom of God.

They want to come in grumpy and cranky, that’s their spirits. They say, “Well I cannot change. It’s the way I am, you know?” Oh yeah you cannot change, huh? You will change. Yes sir. They want to keep their same old spirits. You cannot keep your same habits. You cannot keep your same thoughts. You’ve got to die. You’ve got to die, like His Lamb died.

You've got to die with your Lamb. You've got to die to your own thinking to be born to His thinking. Let the mind that was in Christ be in you. You've got to think His thoughts.

And now brother and sister, let me say this as intelligent as I know how to say it. How can you think His thoughts and deny His Word and yet claim to be born again? Just ask yourself that question. How can you do it? You can't. If you're born again, you've got His thoughts. "My thoughts are not your thoughts. My ways are not your ways." Amen. It's the mind of Christ in you, then you're a new creature. The Bible teaches that. Amen.

And now you're a new creation, born by the Spirit. Your own thoughts are dead. They're so dead until they are crystal like the brass serpent and everything witnesses that you are dead. Amen. Page 19.

Now you see what I'm coming to, don't you? What the birth is? The new birth. First to die in order to be born again, not only die, but rot to what you think you are! Stay there and die and rot! Amen. Praise God.

And if you've still got the things of the world in you, you're not born again. I don't care what you say; you're not born again! And how are you gonna claim to be born again and still with the things of the world hanging on you? How can you do it? How can you do it? Praise God. Amen. Amen.

And a young Christian the other day, a bunch of people, I don't know if they're right, but look at some picture, Christian women, Christian men all loveable around one another in bathing suits swimming, amen, they said, "That's real love." That's FILTH! Not love. Praise God.

Our souls are placed by faith on His brass altar. But how many are gonna put their souls on the altar? You can only put it there by a Seven Thunder Revelation. Otherwise you'll say, "I'm in the Message. I believe the Prophet's Message." But your soul is not on the altar. Amen. But the Seven...

***(Blank spot on tape)***

...But many don't want to be judged. Here's where you're judged: Wednesday, Sunday. So when you back up from the Word, you're nothing but a church member. Ain't no Word Seed in you. The Word Seed of God can't wait for them doors to come open.

You've got another spirit in you, that's keeping you from correction. There's a demon binding you. Praise God, amen. God gives His people a sanctified new spirit with a promise to "put my Spirit in your new spirit." Glory to God. Hallelujah. Thank You, Lord. My. My.

When you go to church and accept their creeds and form of baptism

and offerings, that you're supposed to yourself lay on there. You might get up shivering. You might get up speaking in tongues, running all over the floor. You might get up weeping. But if that offering has been received by God, it's consumed. If you put it on this altar here, God's gonna consume it. The world is dead to you. You are gone. For we reckon ourselves dead and buried.

And when we are dead we're hid in Christ. Amen. And after you're dead and buried and hid in Christ, then we're sealed with the Holy Ghost. There you are. Oh my, my, praise God, amen. Amen.

The sacrifice, page 20, now your soul's laid upon the altar of God's brass judgment. Then God receives the sacrifice. But you have a hard time getting many upon the altar. They're running here, they're running there, they're running everywhere away from the altar. Amen. My.

On the altar of God's brass judgment. Then God receives the sacrifice. Now it shows that you haven't received it yet. If you're still alive in the world, God never took it. Now you people talking about getting the Holy Ghost, and how you have to wait so long, here you are, until God receives that sacrifice, until it's laid on His judgments there, until His judgment has actually killed your senses.

You might says, "Well I'm gonna turn a new page." That ain't it. "Well I know I used to smoke, I'm gonna quit smoking." That still isn't it. Until God receives that sacrifice on His brass altar. His altar is judgment. What is His judgment? Death, that's the penalty. The soul that sinneth, it must die. Amen.

When that sacrifice is received by the Fire, first it's sanctified, then received by Fire and the Fire burns the sin out. Then the Person of the Holy Ghost comes in. When that sacrifice is received by the Fire, and it goes up like that and the smoke goes up, you rise with your sacrifice into the heavenlies and you're sealed away from the things of the world.

Now what do you do? After you die, then you're conceived anew, amen. You were first conceived in iniquity because you are now conceived in something new. What is it? The Living Word. Amen.

Oh, that changes it now, doesn't it? Now we're through with struggling. The struggle is over now. Amen. After seeing what you've got to do, now what happens? You are conceived anew in the Living Word. What is it? The Word becomes alive in you. You begin to see things different.

Where you once couldn't see that, now you see it. Where you once couldn't see where you shouldn't talk against people, now you see it,

Godliness. You see now? Now you know if you're born again or not, you're not backbiting, evil surmising, talking and crabby and mean and stink. You need to be born again! Praise God. Conceived anew.

There's something different now. It makes all the Scriptures come together. It makes everything dovetail just right. Something begins to happen. You die to your own thinking. Now you're conceived because you're washed by the water of the Word.

What do you do with a baby when it's born? You wash him by the washing of the water of the Word. Do you believe that? Now you're ready for life. You're ready to be led by the Spirit. You're ready to add to your Faith, Virtue and Knowledge and Temperance and Patience and Godliness. You're born again. You have no more unbelief. Amen.

If the seed of God remaineth in you, you cannot sin! There is no sin in you! Do you see it? The Word Seed that's in you that's been quickened, born again, a new birth, you can never sin again! Christ is alive in you. How can Christ lie? How can Christ cheat? How can Christ lust? He cannot do it! The seed of God is in you. Sha! Glory.

What we need, old fashioned, sky blue, sin killing, back woods revival! Amen. The Bible said in the last days, many spirits in the last days, St. Matthew 24:24. Many false Christs, false people, anointed by the latter rain in the Message with a false spirit. Sha! False spirit: lying, bullheads, cheating, heady, high minded, a bunch of devils.

There's one Christ Singular Spirit: Faith, Virtue, Knowledge, Temperance, Patience, Godliness, Brotherly Kindness, that's Jesus Christ! A bunch of lying spirits. Repent! Page 27.

People of today take all kind of spirits. They grow up and take a church spirit. They even, catch it, they even take spirits that call themselves, "God's Spirits," born again, and deny the Word of God being true. Amen.

Could you image the Spirit of God denying His own Word? There you are. Church spirits, Pentecostal spirits, coming in this Message, taking ninety nine and nine tenths of the Message. But send the Word of God to those bullheads: false spirits. What? Did the Word of God come out of you woman? Shut up, in the Name of the Lord! Also saith the Lord, be in obedience. That's a false spirit.

That's why I blasted those bullheads. I'd be stupid to let a false spirit take over this church. I'd desecrate the pulpit. Praise God. Let any false spirit take over anything in here. This is the Word of God, the House of God; it's an Apostolic Church! Back to the Bible.

When you believe, is when you are dead and you are born, regenerated, a new creature. That's when you believe. If you ain't like that, you are making believe. You're believing unto. Praise God. Amen. Think on these things tonight; I'm finished.

You are eternal. Now to the Bride in here. I don't mean any wishy-washy babies. Praise God. The Word of God was preached to you tonight to tell you who you are. Believest thou this? Glory. To the Bride. Well, I'm finished.

You are eternal. First, before you can be reborn, you have to be eternal or you cannot be reborn. You have changed from a creature of time to a creature of Eternity. You have changed from death to Life because you always was a son. Because you are a son, the Dove shall come upon you. Glory. "This is my beloved son in whom I am well pleased."

God is pleased to dwell with you. I don't care what the world says; I don't care what the boss says. God is pleased to dwell with you! Why? Because His nature is in you. The Dove identifies you as His son to the entire world, to President Reagan, to the kings, the potentate. "This is my beloved son in whom I am well pleased to dwell. Hear ye them."

You always was His son, but the world didn't know who you were. God chose you in Him before the foundation of the world. That means that we were right with Him in His mind, in God's thoughts before the foundation of the world. That gives us eternal quality. We are the Elected. The Bride is the literal Spoken Word Seed, the thoughts of God in His Spoken Word expressed in our flesh. The mind of God, the Word of God for this day to meet the challenge of the hour.

God is veiled in you. You come forth in Sodom. The devil says, "There'll be no church in New York." God said, "There shall be a church. I called a Bride. Here they are, in the balcony, in the basement shouting and praising." Glory to God, hallelujah.

"My Word shall not return to me void. It shall accomplish. It shall accomplish. You shall be filled. You shall be healed. Shall be a Bride." Hallelujah. Glory to God. Hallelujah. My, my! Glory.

The Eternal thoughts of God is the seed sons of God. We did not become seed by the rebirth. We were seed! And therefore we were reborn. You have to be seed first before you can be born again. We are the sons of the King! Hallelujah. For only the Elect can be reborn. Hallelujah.

Because we are seed, we can be quickened. He didn't come to quicken the rocks. He didn't come to quicken the trees. He come to quicken

the seed in the dirt. Hallelujah. My. Because you are sons, God has sent forth Charity into your hearts whereby you cry, “Abba, Abba, Abba, Father.” My.

What is the Holy Ghost? The Spirit baptizing you into the Body. It’s the new birth. The Spirit of God coming into you, after you have repented. Glory. Sanctified. The Fire comes in and burns the demons out. Then Charity comes to abide.

“I’ll give you a new heart. Repent, every one of you and be baptized in the Name of Jesus Christ, I’ll give you a new heart; I’ll give you a new spirit. I’ll put my Spirit in your spirit. This is my beloved son in whom I am well pleased.”

Hallelujah, hallelujah. Oh glory to God. Thank You Jesus. Thank You Lord. Oh my. My, my, praise God. My, my, my, my. Thank You Lord. My, thank You Lord. Glory to God. Thank You Lord. Oh my. Thank You Lord. Oh hallelujah. My. Thank You Lord. Praise God. Oh my, my, my, my. Oh hallelujah, praise God. Thank You Jesus. Thank You Lord.

Give me a key for, “I Love Him, I Love Him.” Do you love the Lord tonight? Are you happy tonight? You’re a Word Seed. God cannot fail! He’s gonna baptize you. He put your nature just the way you are to be able to stand in New York City to meet the challenge of the day. And you have pressed through.

You, young people, have pressed through. God bless you, young people. Glory. You, sisters have pressed through. You, married people have pressed through. The brethren, you have pressed through. We are here, we have arrived. “I Love Him, I Love Him, I Love Him.”

Close your eyes and raise your hands and sing, “I Love Him.”

***(Singing: “I Love Him”)***

Every head bowed. Keep playing softly. Is there somebody here tonight that feels that their hearts are bursting for Jesus? Is somebody here tonight never been here before? Maybe you’re a sinner, maybe you’re a good person, maybe you’re a Christian, but you don’t know Jesus of this hour, the personal Life, a Message from the Throne.

In the beginning was the Word, the Word was with God and the Word was God. Don’t worry friend, you don’t have to talk about it, the Spirit will bear witness, “This is my beloved son in whom I am well pleased to dwell.”

The Holy Spirit is gonna come upon sons and daughters, Word Seeds of God, from before the foundation of the world that was with Him in the beginning. He will identify these sons and daughters. But is there someone here tonight that would like to give their heart to the Lord and to be baptized

in Christian baptism in the Name of the Lord Jesus Christ? Is there one here tonight? Let me know by an uplifted hand.

Well, amen. Well, praise God for this young lady here. She... just slip up in the front here sister. We'll just pray for you. Amen. A young lady, praise God. She wants to give her heart to the Lord. Just slip over and lay hands upon her. Praise God, amen, thank You Lord. Amen.

Every head bowed. This is the way it was on the Day of Pentecost. They were standing three thousand souls, and they accepted Jesus Christ. This young lady is standing on her feet. She's receiving her salvation and she wants to be baptized in the Name of the Lord Jesus Christ.

Almighty God, may the Fire of God come upon her. May the sanctifying Blood of Jesus Christ sanctify her tonight, Lord. Lord God, may You receive her in the Kingdom as a child of God, snatched from the world. Father, she was with You before the foundation of the world. She was with You in the beginning and now she is identifying herself with You.

Lord God, this night, receive her into the Kingdom of God tonight. In Jesus' Name we pray. Amen and amen. Our Sister, would you like to be baptized tonight or whenever you can? Tonight? Well, amen. Brother Nino, Singleton, would you take her? Amen. Praise God. What is it? Praise God. She wants to be baptized. Amen. Praise God, amen. Praise the Lord. Amen.

Do you believe that? Amen. Praise God, amen. My, my, my. God can do anything. Yes siree. Praise our God. Amen. Okay? Do you believe this here? Amen. Praise the Lord. "I Love Him." My, my, my. Praise God.

Let us bow our heads. Our Heavenly Father, we thank You for tonight. We praise You for tonight. Hallelujah. Lord, the people are being delivered; they're being set free. Oh God, may the Power of God be upon the people. May this revival continue, oh God, may there be a confession of sin, of searching of the hearts, of holding on to the Altar of God. Amen. Thank You Lord. Praise God.

May there be a revival in every home. Lord God, may they come here Friday, Friday night's prayer, may they cry out for the Holy Ghost. Oh hallelujah. May they cry out tomorrow and Friday and Saturday. Thank You, Jesus. Bless the people now, Lord, we pray and ask the blessings in Jesus' Name. Oh my. Praise God, amen. My, my, my. What a mighty God we serve. Do you serve a mighty God?

*(Singing: "What A Mighty God We Serve")*
